Functions of the Regional Crime Gun Center

- Provide "One Stop Shopping" for Information about Crime Guns and the Criminals Behind the Guns
- Prepare Special Statistical and Analytical Reports as Requested by Police Commanders
- Conduct Research to Support Investigators and Police Officers
- Conduct Daily Analysis of Trace Data to Identify Gun Traffickers
- Produce Reports Identifying Developing Patterns and Trends
- Disseminate Investigative Leads
- Answer Questions Relating to Firearms
- Respond to Crime Scenes as Needed
- Coordinate with the HIDTA Regional Intelligence Center to Identify Armed Drug Traffickers and Their Sources of Crime Guns
- Record and Transfer Daily Crime Gun Trace Data to the ATF National Tracing Center
- Operate 7 Days a Week
Looking For Trafficking Patterns
RECOMMENDATIONS

Trace All Crime Guns

Create a Firearms Regional Crime Gun Center

Attempt to Restore Serial Numbers on Crime Guns with Obliterated Serial Numbers
ATF Will:

- Provide ETSS and Train Personnel
- Coordinate Regional Crime Gun Center
- Work Cooperatively as a Team to Identify and Investigate Illegal Firearms Trafficking Operations
RESULTS

- Comprehensive Data Available for Analysis
- Illegal Traffickers Identified and Prosecuted
- Officer Safety Enhanced
- Trends and Patterns Identified

- LOWER VIOLENT CRIME RATES
- COMMUNITY FEELS SAFER!
